Got An Opinion? Share It!

In the interest of making next year's Unicornucopia carnival even better, we need your feedback! We have asked room parents to contact shift volunteers for comments, but if you do not fit into that category and would like to provide comments and suggestions, please visit the NRES

website's PTA page to download a comment form. Please send the info back either by email or have it placed in the Unicornucopia box by Friday, November 13th. This feedback is invaluable to us and we will read everything that you give us! Thank you!

Yearbook Pictures Needed!

Are you a **shutterbug**? If you've been taking pictures of North Ridge events this year, the yearbook committee needs them. **We need photos of the first day of school, spirit week, Unicornucopia, Learning Experiences, and anything else you can think of.** Please email them to Donna King at we4kingsrd@yahoo.com

or burn them onto a disc and mark them "yearbook." Teachers will put them in the "Yearbook" mailbox. We will need pictures until March, so please get those cameras snapping! □

Mr. Mapp's Art Corner

So much is happening in the art room!

We are collecting Quaker Oats cylinders, to make pinhole cameras, and Legos to make a movie. We need black sharpies, and tissues too.

The PRISMM art website is up and running. The blog has images of the children's work, information about kid's art, the local art scene, and more.

There is even a special section just for art contests. This is the best way to keep up with things happening in the art room, as I often update daily.

Here is the link - <http://sites.google.com/site/artprismm/home>

I need some help. I am looking for volunteers to come in and help during the day, volunteers to take pictures of children's work for posting on the web, and volunteers to help hang artwork. Please contact me at smapp@wcpss.net

Finally, start looking on the back of your child's artwork for a grade (1,2, 3 or 4). The standard will also be on the back so you know what part of the artwork was graded. If you have any ideas that would make the North Ridge art program a better one, please send me an email, or make an appointment and we can meet face to face.

Thanks, Mr. Mapp

WELCOME! The new face you have seen around campus and in car pool line is Mr. Charles Langley, NRES Interim Assistant Principal. Please take a minute to say hello the next time you see him!
